This is the 16th in the *Pulse Extra* series identifying the highest-paid individuals at New York area hospitals. To be included, hospitals must be tax-exempt organizations in the area that filed a Form 990 for 2008. The editions list up to five of the highest-paid officers/directors/trustees and employees reported by each institution. Cash compensation may not include physicians' private practice revenues. Officers and employees may have other titles at related organizations and may appear in multiple hospital listings.
